Dangers of the Grip.

The greatest danger from La Grippe is of its resulting in pocumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who bave used this remedy for la grippe we have yet to learn of a single case having resulted in pneumonia which shows conclusively that this remedy is a certain preventive of that dangerous disease. It

public school house? If some enterprising man, or company, will build a good toll road from Farmville five miles west, I am sure that the public would dead. She leaves five children and one patronize it to such an extent as to preacher of Petersburg.

Why not? oh! why not tax the dogs and spend the money on the roads? I believe that a tax of \$1 a head on the dogs of Buckingham county would keep the roads in pretty good repair, for while the number of canines listed cal news matter, and would prefer that to the assessors a few years ago was only some 700 or 800, I am sure in my own mind at least, that there are fully ten times that number of worthless, prowling, egg-eating, sheep-killing dogs in the county of Buckingham. Be it remembered that the owners of the few useful dogs never have kicked at a dog tax and never will. I am in favor of a bounty on fox scalps too, of \$1, and that would more for the first insertion and five cents per than pay the taxes of the few fox line for each subsequent insertion of
